

Help Ukrainian Refugees fleeing through Romania

Wanting to help refugees fleeing Ukraine through Romania?

Here is one place I suggest:

Brotherly Aid Ministries
7133 Lowmiller Rd
Minerva OH 44657

Please write ***Ukraine Refugee Fund*** in your check's memo.

If you want a tax-deductible receipt, request it.

Funds will be used to provide emergency food, lodging, and transportation. Some refugees are transiting through Romania; others will likely stay in Romania and need ongoing assistance until they can return to Ukraine. If more funds are received than needed for emergency care, they will be used where needed most.

Brotherly Aid Ministries is a 501c3 organization sponsored by four conservative Anabaptist churches in the USA. BAM is governed by a five-member board which has assumed responsibility for the work of Christian Aid Ministries in Romania.

God bless you,
Mark Roth – February 26, 2002

Enclosed is a check in the amount of \$_____ to be used by Brotherly Aid Ministries for assistance to Ukrainian refugees via BAM's Ukraine Refugee Fund.
